PROFESSIONAL SUMMARY

Enthusiastic and helpful individual with experience as a mentor at TinkerHub TKMCE. Helped students with their projects by solving technical problems and suggesting better ways to build them. Also guided teams during two hackathons organized by TinkerHub. Enjoy working with others, sharing knowledge, and learning about new technologies.

SKILLS

- C Programming
- Java script
- DSA
- React.js
- Java
- Python
- SQL
- Github

EDUCATION

TKM College of Engineering - Kollam, Bachelor of Computer Science Engineering
Current CGPA : 6.7
09/2023 – present

AKNM GPTC Thirurangadi, Diploma of Education, Electronics and Engineering
CGPA : 7.1
07/2020 – 06/2023

PROJECTS

Activity Points Management System
01/2025 – 04/2025

Description: Built a web application to efficiently track, validate, and manage student participation in co-curricular and non-co-curricular activities. The system allows students to upload certificates, view submission status, and track earned activity points. Advisors can validate certificates, assign points, and monitor student involvement. Administrators can manage users, configure the system, and generate insightful reports on student engagement trends.

Key Features:
- Student dashboard for certificate upload and activity point tracking
- Advisor panel for certificate validation and point assignment
- Admin controls for user and system management
- Automated activity point calculation
- Reports and analytics for advisors and admins

Technologies Used: React, Firebase (Authentication, Firestore, Storage), Postman (API testing)

CERTIFICATES

- **Introduction to programming in Java (NPTEL) IIT Kanpur**   07/2024 - 09/2024
- **Cloud Computing and Big Data , Ybi Foundation**   07/2024 - 08/2024

POSITIONS OF RESPONSIBLITY

- Student Mentor TinkerHub TKMCE   09/2024 – present
